

A warm light

Personal preference

A warm light

Volition - Subliminal

Personal preference

The attraction to what feels right. Draws toward elegance, symmetry, and simplicity. Compresses ugliness into beauty that resonates emotionally and cognitively. Sometimes replaces truth with warmth.

aesthetic/simplicity/interpretability bias, intuitive plausibility, familiarity, affection, resonance

- ▲ Produces elegance, interpretability, and conceptual clarity.
- ▼ Privileges beauty over adequacy; ignores discordant facts.
- ▶ Ask whether the target card feels right.

"If this explanation were ugly, would I still believe it?"

Among competing explanations, the smoothest, warmest was loved most. It required least effort to hand over and maintain. Irregularities accumulated at the margins. Over time, only what fit comfortably remained.
